

Jimele Food Provadore

JIMELE'S NEW AMERICAN RANGE

NO PRESERVATIVES

The real deal in NYC pickles

Brooklyn Brine Co.'s pickles are made by hand with the finest ingredients, in Brooklyn, New York City. The company has always focused on creating unique and delicious pickle flavours while at the same time touching on the nostalgic roots of many.

Staying true to its own roots, Brooklyn Brine Co. spends week after week hand-cutting and stuffing tens of thousands of jars. All ingredients are acquired responsibly including non-GMO produce, non-irradiated spices, apple cider vinegar derived from New York State apples and without any artificial ingredients or additives.

Whole and Crinkle Cut
Available in 20 KGS

Brooklyn Brine also produces a wonderful, classic Ketchup that brings the taste of New York to Australia as well as other eager ketchup lovers around the world..
