JIMELE FOOD PROVEDORE FOR YOUR TOTAL DELICIOUS CROISSANT SOLUTION

SWEET SENSATIONS

ABOUT DELI FRANCE CROISSANT - Délifrance is a bakery company that produces "French style" bakery products in over 100 countries on five continents. It has been in operation since 1983. The sister company of Délifrance is Grands Moulins de Paris, which is a major French milling company and supplies 100% of the flour used in Délifrance's products. Their heritage all butter croissants are a beautiful amber colour with exceptional crunchiness and are melt-in-the-mouth. Soft and sweet inside with a real taste of butter and caramel notes. Available in 70 grams or 90 grams.

ABOUT TIPTREE JAMS - Tiptree is world renowned for their top quality ingredients and delicious flavours. To meet the growing demand for their range of products worldwide, Wilkin & Sons now own over 1000 acres in and around Tiptree England where their extensive range of fruits are grown and harvested. Traditional English fruits are able to be picked at the peak of condition and Wilkin & Sons make sure that only the very best fruit is used in every case. The very first Tiptree preserves were made in 1885 and to this day the Wilkin family specialize in fruit - growing on their estates. The jams and marmalade are the perfect accompaniment to our beautiful croissants. Available in 24 X 28 grams. Apricot/Strawberry/Raspberry and Orange Marmalade.

ABOUT THE BUTTER -Lurpak is a Danish brand of butter. It is sold in 75 countries worldwide and is best known for its distinctive silver packaging. Lurpak held its position as the most delicious premium butter for over a hundred years. Danish butter has always been famous for excellent quality and flavour. Available in 100 X 8 grams portion control.
